Washington, DC 20590

Re: NHTSA Campaign 15T-011 Quarterly Report (2015 Q3)

Dear Ms. Schuler:

Per 49 C.F.R. § 573.7, below please find the quarterly report for the quarter ending September 30, 2015, submitted on behalf of Hercules Tire & Rubber Company ("Hercules Tire") for the above-referenced recall.

573(b)(1): NHTSA Campaign Number

Campaign Number 15T-011. The Hercules Tire identification number for this campaign is 01-2015.

573.7(b)(2): Notification Date

Hercules Tire began notifying customers and dealers of the above-referenced recall on July 17, 2015. Hercules Tire completed notification to its list of all known dealers and customers on or about August 18, 2015. As the names and addresses of additional consumers became known to Hercules Tire since that time, Hercules Tire promptly mailed notices to those consumers.

573.7(b)(3): Number of Tires Involved

As reported in its Part 573 notice submitted on July 7, 2015, the approximate total number of potentially affected tires involved in the notification campaign in the United States is 90,000.

Ms. Kelly Schuler

Page 2

573.7(b)(4): Number of Items Inspected and Repaired or Determined Not in Need of Repair

Hercules Tire intends to replace all tires within the recall population. Further, Hercules Tire intends to disable and dispose of all recalled tires in accordance with its tire destruction plan. As of the end of the third quarter of 2015, Hercules Tire had recovered 41 recalled tires returned by consumers.

573.7(b)(5): Number of Tires Determined to be Unreachable

Hercules Tire mailed 265 notices to consumers for which it has a mailing address. 46 of those notices have been returned as undeliverable

573(b)(6): Number of Tires Returned Prior to First Sale to Public

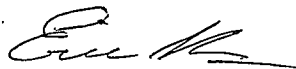

Hercules Tire has not received any recalled tires from dealers or distributors prior to their first sale to the public and is not aware of any dealers or distributors possessing any unsold recalled tires.

5739(b)(7)(i)-(iii): Tires Not Properly Disabled, Disposed of, or Treated Contrary to Manufacturer's Direction

Hercules Tire is not aware of any instance in which a recalled tire has not been properly disabled or has been disposed of improperly. Hercules Tire is not aware of any instance in which a tire has not been treated in accordance with Hercules Tire's direction.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Eric L. Unis
